

## **International Association of Aquatic and Marine Science Libraries and Information Centers**

Greetings! On behalf of IAMSlic, I am inviting your organization to be a sponsor at our 29<sup>th</sup> Annual Conference to be held October 5-9, 2003 in Mystic, Connecticut. As a past sponsor and exhibitor, you are aware of the networking and product promotional opportunities afforded by the Conference.

Our conference theme is "Navigating the Shoals: Evolving User Services in Aquatic & Marine Sciences Libraries." We expect an attendance of more than 120 librarians from aquatic and marine research facilities and universities from around the world. Sponsoring the conference is an excellent way to reach these attendees and promote your products.

At present, we are seeking sponsorship for travel expenses and honoraria for invited speakers, internet connectivity for program sessions, translation services, field trip transportation, and various conference events such as the opening reception or gala banquet. Sponsors contributing \$500 US or more will have complementary exhibit space and registration for one exhibitor including conference attendance as well as all social events. All sponsors will receive recognition on the conference website and program, may provide product information for inclusion in attendee packets and may present product demonstrations during our vendor panel. Sponsors of \$1000 US or more will receive Company name recognition for sponsorship of a specific Conference event .

Exhibits will run from Monday, October 6 through Wednesday, October 8. Our program will include scheduled time to visit the exhibits. In addition, the exhibits will be located adjacent to the main meeting room, ensuring informal opportunities for attendees to browse the displays. Additional information about the conference is available at: <http://www.nefsclibrary.nmfs.gov/2003iamslic/2003home.html>.

If you would like to discuss sponsorship opportunities, please contact me at 818-677-6298 or email: [snowdy.dodson@csun.edu](mailto:snowdy.dodson@csun.edu) .

Sincerely,

Snowdy Dodson
