

Aquatic Commons

Theses and Dissertations

**Permission to digitize and/or deposit
electronic files to Aquatic Commons**

Understanding that the Aquatic Commons repository is an open, free repository offered as a global service to the marine and aquatic research communities.

I, ***author's name goes here***, authorize ***IAMS LIC Member name goes here*** to digitize, to deposit, and/or to distribute via the Aquatic Commons EPrints Repository or successive technologies the electronic publications detailed below as a collaborative project to support research and education efforts world wide.

This is a non-exclusive grant of permissions for on-line and off-line use for an indefinite term. Digitization allows the Aquatic Commons to generate image- and text-based versions as appropriate and to provide and enhance access using search software.

This grant of permissions prohibits use of the Aquatic Commons digitized versions for commercial use or profit. Please note that copyright of this publication remains with the author and the Aquatic Commons is simply an online archive.
