International Association of Aquatic and Marine Science Libraries and Information Centers

Membership Invitation:
IAMSLIC is an organization of librarians and information professionals in the marine and aquatic sciences. You are invited to participate, as we seek to provide a forum for sharing ideas and resources within our discipline. IAMSLIC has a long history of international cooperation and members come from all types and sizes of libraries and information centers including research institutes, government agencies, colleges, universities, non-profit and for-profit organizations. Membership is on a calendar year basis, January 1st to December 31st.

Membership Benefits:
- IAMSLIC Blog & Newsletters
- Quarterly Membership Directory
- Access to online searchable IAMSLIC Membership Directory
- Voting privileges
- Annual conference registration at members rate
- Access to the IAMSLIC Z39.50 Distributed Library and resource sharing program
- Participate in development of the Aquatic Commons http://aquacomm.fcla.edu

Sponsored Memberships:
IAMSLIC offers a limited number of Sponsored Memberships. Institutions from low and middle income countries* unable to pay the $20 annual fee may apply to the Membership Committee for a one-time three-year sponsorship. Sponsored members receive the same benefits as other membership categories and will be expected to contribute library holding information to the IAMSLIC Z39.50 Distributed Library Union List of Serials.

Guin Fund:
This fund is a memorial to founding member, Marilyn Guin, and provides support to members in developing countries. Please consider contributing to this fund in addition to your membership fee.
