

IAMSLIC Archives Annual Report 2016

Electronic mail, including attachments, continue to be stored on a WHOI server with a backup. The IAMSLIC finding aid contains a reference to these files.

Paper copy of 41st IAMSLIC conference program in Rome filed in the paper collection.

Finding aid updated.

There were no emails with pictures of Rome conference posted to the IAMSLIC listserv, so none are on the archives.

Only one request for information this year, from the Treasurer, for a copy of the non-profit certificate.

Respectfully submitted,
Lisa Raymond
