

IAMS LIC LIBRARIAN:

SHARING EXPERIENCES & TRANSFERRING KNOWLEDGE

Alice earned a Bachelors degree in Library and Information Science in the year1999 from Makerere University in Kampala Uganda and Master of Science in Library and Information Science in 2002 and Master of Science in Computer Science (2008) all from Makerere University in Uganda.

Since the year 2000, she has enjoyed her work as a Librarian and Information Manager at the National Fisheries Resources Research Institute, NaFIRRI. She has raised through the ranks from Information Assistant to Head Librarian a position which she now holds which has enabled her to grow professionally and academically. She has 18 years of experience working with Aquatic sciences information (Fisheries, Aquaculture and Water Environment).

She is personate about information and knowledge sharing in all aspects of aquatic and marine life. She enjoys most identifying information needs of the users and ensuring that their information needs are met.

She joined IASMLIC in 2008 and has been a member since. She has served on the membership committee representing AFRIAMS LIC and would want to continue serving IASMLIC by applying for the position of Secretary.
